

## Child Enrichment

Dear Friends,

I am writing to you on behalf of Child Enrichment, a dedicated advocate for the well-being of children in our community. We are excited to introduce a new and impactful event- our first in Thomson- the "Chip in For Children" golf tournament, benefiting Child Enrichment, a local nonprofit committed to serving children who have experienced abuse, neglect, or trafficking, as we renovate our new, permanent Thomson home!

Child Enrichment has been a pillar of support for our community since we opened our Thomson office in 2017, tirelessly working to provide essential services and a safe haven for children who have faced unimaginable challenges. To further support Child Enrichment's mission and raise awareness about our presence in Thomson, we are organizing the "Chip in For Children" golf tournament. This event will not only serve as an opportunity for golf enthusiasts to showcase their skills but, more importantly, it will raise funds to contribute to renovating Child Enrichment's new facility in Thomson. This facility will play a pivotal role in expanding our reach and providing a nurturing environment for the children we serve.

We are seeking sponsors who share our passion for making a positive difference in the lives of these children. Your support will not only align your company with a noble cause but will also provide valuable exposure within the community. We invite you to partner with us in this worthy cause. Your sponsorship will directly contribute to the success of the tournament and, more importantly, make a lasting impact on the lives of the children served by Child Enrichment.

Enclosed is information about the event and sponsorship packages available. Thank you for considering this request, and we hope to count you among our esteemed sponsors for our inaugural Chip in For Children tournament. Together, we can make a significant difference in the lives of the children in our community.

Sincerely,

Kari Viola Brooke  
Executive Director
