

OYSTER ROAST

June 20, 2023

Dear Friend,

I am writing to invite you to put your name behind a cause with a BIG impact in 9 counties with a donation for the auction at the Cookin' for Kids Oyster Roast on September 9, 2023, at the Merchants Association of Columbia County Fairgrounds. The event is an evening oyster roast with steamed oysters, as well as non-seafood entrees and sides, beer, wine, live music, a raffle, and a live auction. All proceeds will directly benefit the children served by Child Enrichment.

Through our Child Advocacy Center and CASA programs, Child Enrichment provides a voice and a path forward for children that have experienced abuse, neglect, abandonment, and trafficking. We do this through our highly trained and dedicated volunteers and staff, children-first approach, and free-of-charge services and resources for local children and families. During the last fiscal year, Child Enrichment found safe permanent homes, provided counseling, forensic interviewing, medical advocacy, and/or court advocacy to 1,207 children and 486 of their non-offending caregivers along with providing expert testimony in prosecutions of alleged child sex offenders, all at no cost to the families. Our organization has helped over 26,500 children since opening its doors in 1978. Your support will directly translate into creating Brighter Days Ahead! for the children and families we will serve in the future.

We truly appreciate your support and generosity. Without our caring community of volunteers, advisors, advocates, and supporters, our doors would not be open today. Please feel free to email us at MMcManus@ChildEnrichment.org or call us at (706) 737-4631 if you have any questions or need additional information.

With gratitude,

Development Director
